

DEMA 2017 Was a Great Success

Last week, Brownie's Marine Group set out to Orlando, Florida for the annual *DEMA* Show, the *largest* trade-only event in the world for companies doing business in the scuba diving, ocean water sports and adventure/dive. We were there showcasing our most forward-facing brands – Brownie's Third Lung, NitroxMaker and our newest addition – LW Americas. The booth was steadily visited throughout the show and we heard from multiple people that our booth seemed to be the busiest compressor booth at the show.

Why? Because no matter how long you spend researching, you won't find a single negative review about and L&W Compressor used for a diving application.

Our welcoming booth

Channin Wohrman, RMC, and Blake Carmichael

Stacy Wall, Brownie's Third Lung

A message from RMC, CEO of Brownie's Marine Group:

That's it for [#DEMA2017](#). What an incredible show. The booth was steadily visited all 4 days and our team was outstanding. We want to thank everyone who made this week a success:

Thank you to [Channin Wohrman](#), [Derek Bush](#) and [Irwin Firpo](#) for their hard work prepping and loading. [Jake Compton](#) for his drive and his unwavering positivity, [Stacy Penna Wall](#) for her awesome attitude and fantastic sales skills. George Cuadrado and Peter Schmitt for working so hard educating others about the wonders of L&W Compressors and Tom Furbish for leading our fantastic LW Americas team. Thank you [Blake Carmichael](#) and [Wesley Siebenthal](#) for coming up to check out the latest technology in diving and developing strong connections.

And a special thank you to those who kept business running smoothly back at the shop. We couldn't have done it without you. See you all in Vegas next year for [#DEMA2018](#)

We are proud to distribute such quality products and excited to follow-up on all the interest generated from the show. See you next year in Las Vegas for DEMA 2018!
