Pompano Beach, FL, Aug. 22, 2022 (GLOBE NEWSWIRE) — Brownie's Marine Group, Inc. (OTCQB: BWMG), a leading developer, manufacturer and distributor of tankless dive equipment and high-pressure air and industrial compressors in the marine industry, today announced results for the second fiscal quarter ending June 30st, 2022.

Chris Constable, CEO of Brownie's Marine Group, Inc. stated, "The Company continues its strong growth path, and we're very pleased with our trajectory through the second quarter. The BLU3 division continues to be our fastest area of growth and would have likely shown additional growth had it not been for some supply chain issues in June that created some back-orders." Mr. Constable continued, "We are excited about the addition of Live Blue to our roster of companies, and we expect this division to capitalize on the popularity of the BLU3 product line and change the way that people enter the water and comfortably explore the underwater world."

Fiscal Q2-2022 Highlights vs. Q2-2021

Non-GAAP Financial Measures

This press release includes certain financial measures that exclude the impact of certain items and therefore have not been calculated in accordance with U.S. generally accepted accounting principles ("GAAP"). We report adjusted net income (loss) to measure our overall results because we believe it better reflects our net results by excluding the impact of non-cash equity-based compensation. We believe the presentation of adjusted net income (loss) enhances our investors' overall understanding of the financial performance of our business.

We believe that investors should have access to the same set of tools that we use in analyzing our results. This non-GAAP measure should be considered in addition to results prepared in accordance with GAAP but should not be considered a substitute for or superior to GAAP results.
