

Brownie's Marine Group's subsidiary BLU3, Inc. prepares for
Amazon Prime Day

Pompano Beach, FL, June 14, 2021 (GLOBE NEWSWIRE) — Brownie's Marine Group, Inc. (OTCQB: BWMG), a leading developer, manufacturer and distributor of tankless dive equipment and high-pressure air and industrial compressors in the marine industry, today announced that its subsidiary, BLU3, Inc.'s products will be participating in Amazon Prime Day with a 20% discount on Nemo products.

BLU3, Inc. has been shipping increased quantities of its Nemo product line to the Amazon warehouses to prepare for a potential spike in orders of Nemo on Amazon Prime Day, June 21-22, 2021.

"Amazon revenues have shown consistent increases from our launch on the platform in November, 2020. We have expanded with Amazon into Europe and the UK, and will continue to look at the platform as a way to put more divers in the water with Nemo." Stated Blake Carmichael, CEO, BLU3, Inc. "This will be our first Amazon Prime Day, and we are looking forward to the results. Amazon's marketing material indicates that stores on Amazon receive an average of 84% more visitors and brands that highlighted deals in their stores saw 646% higher store attributed sales than brands who did not advertise a special. We have our 20% off special ready to go, loaded the warehouses and are primed for the results."

BLU3, Inc. has also provided its worldwide dealers with an opportunity to offer their customers with the same discount on June 21-22, 2021. Blake stated "our worldwide dealer base continues to grow, and we want to give them every opportunity for success with Nemo, and have them looking forward to the launch of Nomad in late August/early September."
