

Visibility: Clear

Current: Moderate

Report: We've shipped over 100 NEMOs so far! We continue to speed up and improve manufacturing processes as we aim to deliver every Kickstarter and Indiegogo order by the end of December. Our Indiegogo campaign will be ending soon, and we will be moving sales to our website. We will post updates here less frequently from now on. If you want to stay up-to-date with any news, please be sure you are registered to our newsletter by signing up at diveblu3.com.

100 NEMOs!

We are very proud to announce that we have now shipped over 100 NEMOs! The BLU3 technicians are becoming very familiar with the NEMO assembly line and manufacturing has become more productive. . We are on track to have all current Kickstarter and Indiegogo pre-orders delivered by the end of December. The NEMOs are shipping in order of backer number and not necessarily by reward tier. If you have a concern about when your NEMO will be shipping, please feel free to send us an email at info@diveblu3.com.

NEMOs are now being delivered with the requirement of a signature upon delivery. It is important that FedEx has your phone number to ensure a smooth delivery, so please include this information when you complete the survey. We recommend you login to your Kickstarter or Indiegogo profile and confirm that your name, phone number, and address are up to date. We have only sent surveys to Super Early Bird and Early Bird backers so far. If you are a Super Early Bird or Early Bird backer and you have not received your survey, please send us an email at info@diveblu3.com.

User Feedback

With NEMOs now out in the wild, we're beginning to hear very positive feedback already. Users are very impressed with the small size yet strong performance of the compressor. So far all Users tend to agree that a checkout dive in the pool or in pool-like conditions is important prior to taking NEMO out for your first real dive. In addition to this, make sure that you:

- Read and understand the NEMO Owner's – Users Manual, available at diveblu3.com/owners-users-manuals/

- Complete the NEMO Fitness to Dive Evaluation, available at diveblu3.com/fitness-to-dive-evaluation/
- Complete the NEMO Online Dive Training Course, available at diveblu3.teachable.com

If you have any feedback or questions regarding your first NEMO Diving experiences, be sure to reach out to us at info@diveblu3.com! We are here to help and we love to hear your feedback!

NEMO at the Fort Lauderdale International Boat Show (FLIBS)

NEMO is on display at the Fort Lauderdale International Boat Show (FLIBS) this weekend. FLIBS is the largest in-water boat show in the world. It is a very exciting moment for the BLU3 Team as we show off NEMO to this audience for the first time. An authorized BLU3 dealer is at the show accepting NEMO pre-orders. If you are in the area, be sure to stop by and say hi!

NEMO on display at the Fort Lauderdale International Boat Show (FLIBS) 2019

Forecast: Just keep building, just keep building! We are doing our best to keep building NEMOs so that you receive yours and be ready to #diveBLU3 very soon (if you haven't yet.) If you have already received your NEMO, send us an email and let us know how your first dive went! We are so grateful for your support!

???? BLU3 Team
