Hey Backers!

We’re tickled pink!

We are over 80% to our second stretch goal! Share our project, tell friends and family and increase your pledge to help us reach our stretch goal and unlock these vivacious pink tubes.

This is the best price we’re offering NEMO so there’s no better time than now to order! Ideas for more NEMOs:

Give one as a gift: Birthday, Anniversary, Christmas or Hanukkah present (We’ll send something special to give your recipient so they know when their NEMO is coming)

Increase your Single to a Buddy Pack or double your Buddy Pack so you can dive BLU3 with friends and family

Upgrade to a Six Pack and open a BLU3 excursions business (We provide assistance setting it up!)
